

Universidade Federal de São Paulo  
Pró-Reitoria de Graduação

**PROGRAD**

# Avaliação Formandos 2010

## Medicina

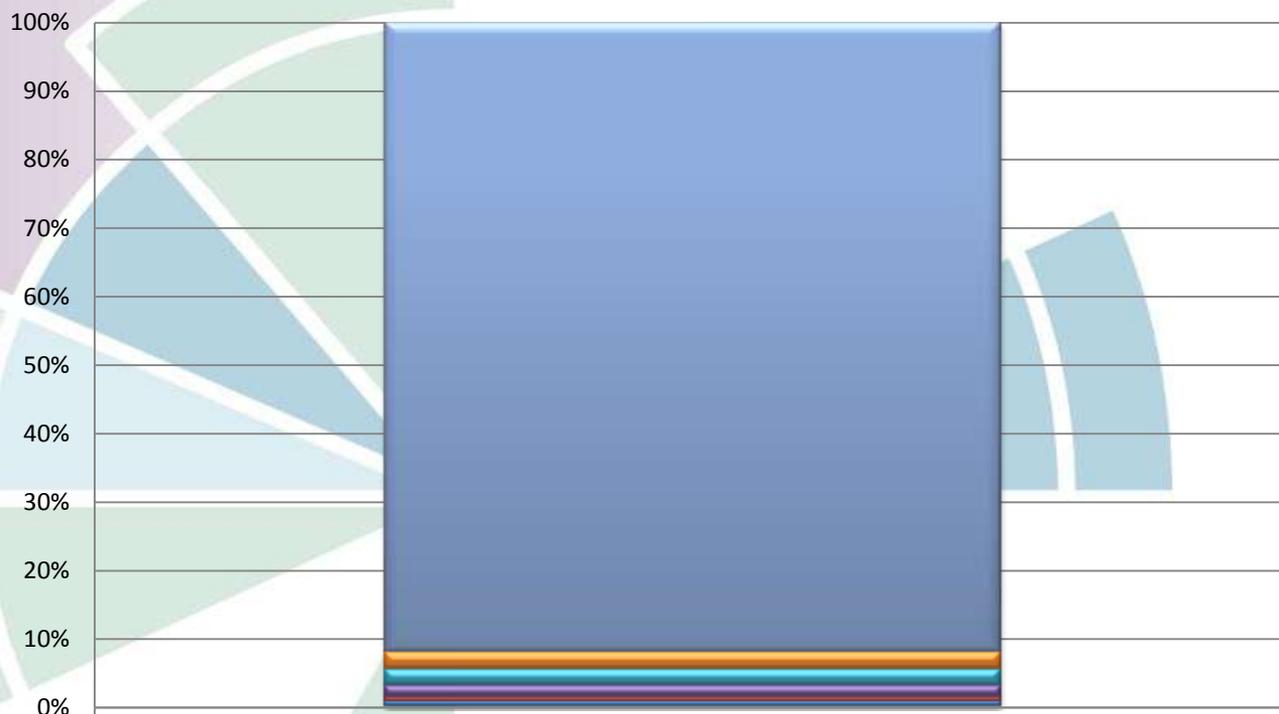

### Campus São Paulo

# 1. Perfil do Formando

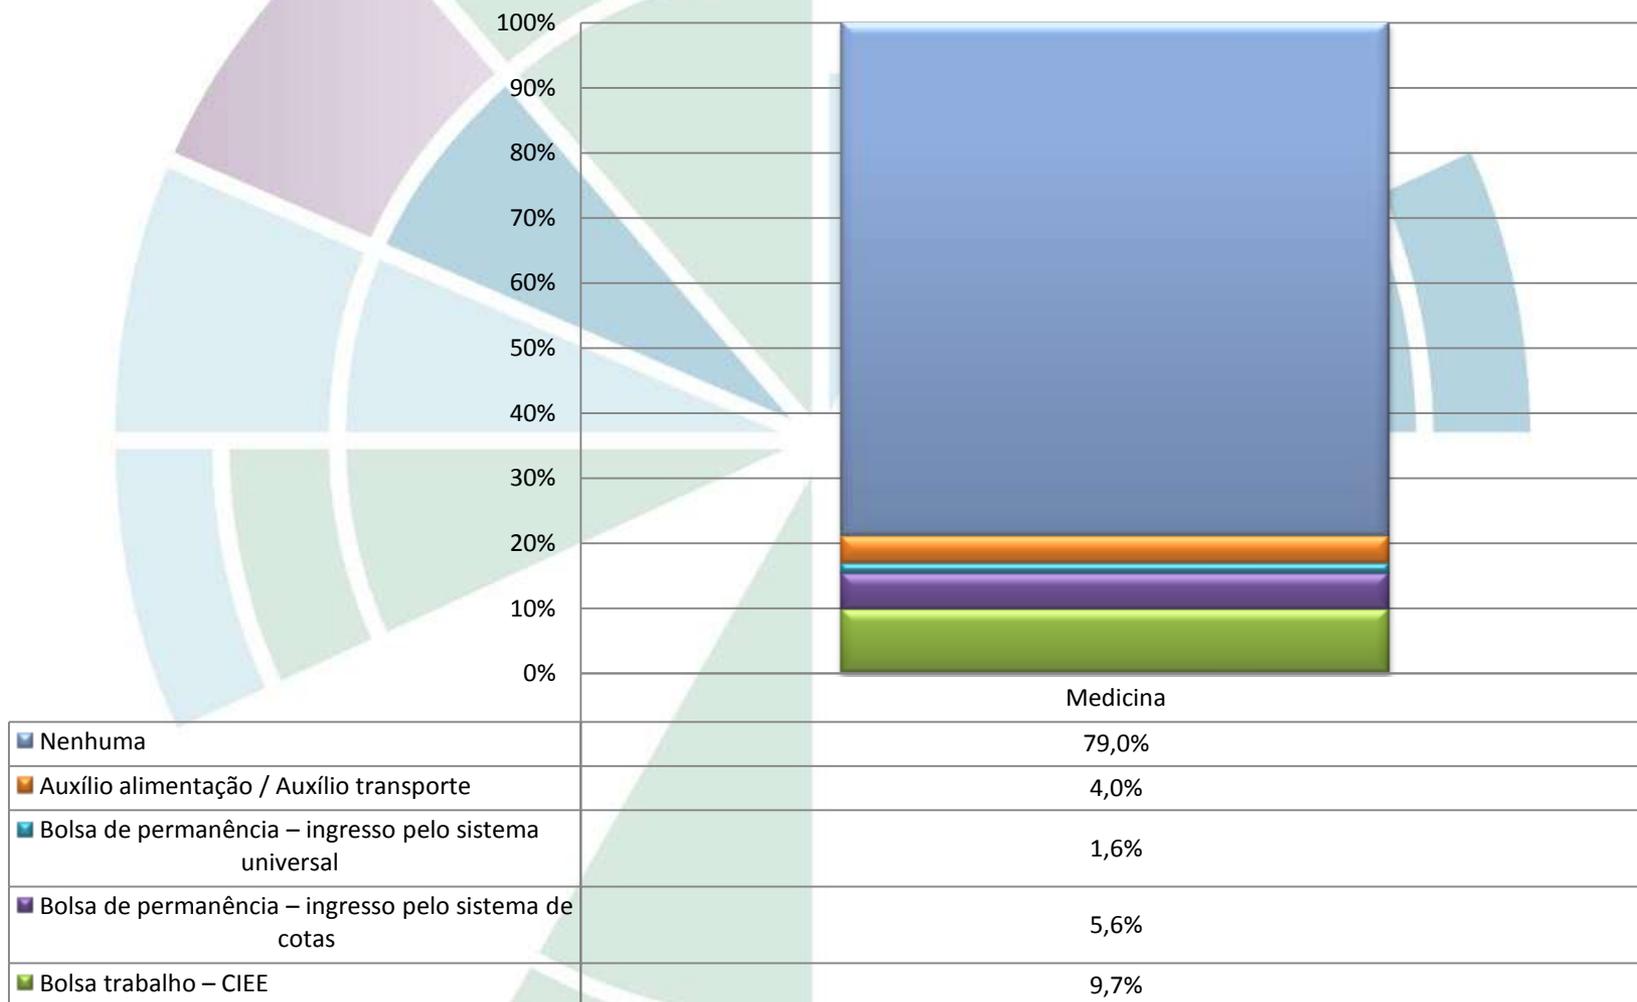

## Antes deste, fez outro Curso de Graduação? Em que área?

	Medicina
■ Não fiz outro curso	91,9%
■ Ciências Biológicas	2,4%
■ Ciências da Saúde	2,4%
■ Ciências Exatas e da Terra	1,6%
■ Ciências Humanas e Sociais Aplicadas	0,0%
■ Engenharias	0,8%
■ Linguística, Letras e Artes	0,8%

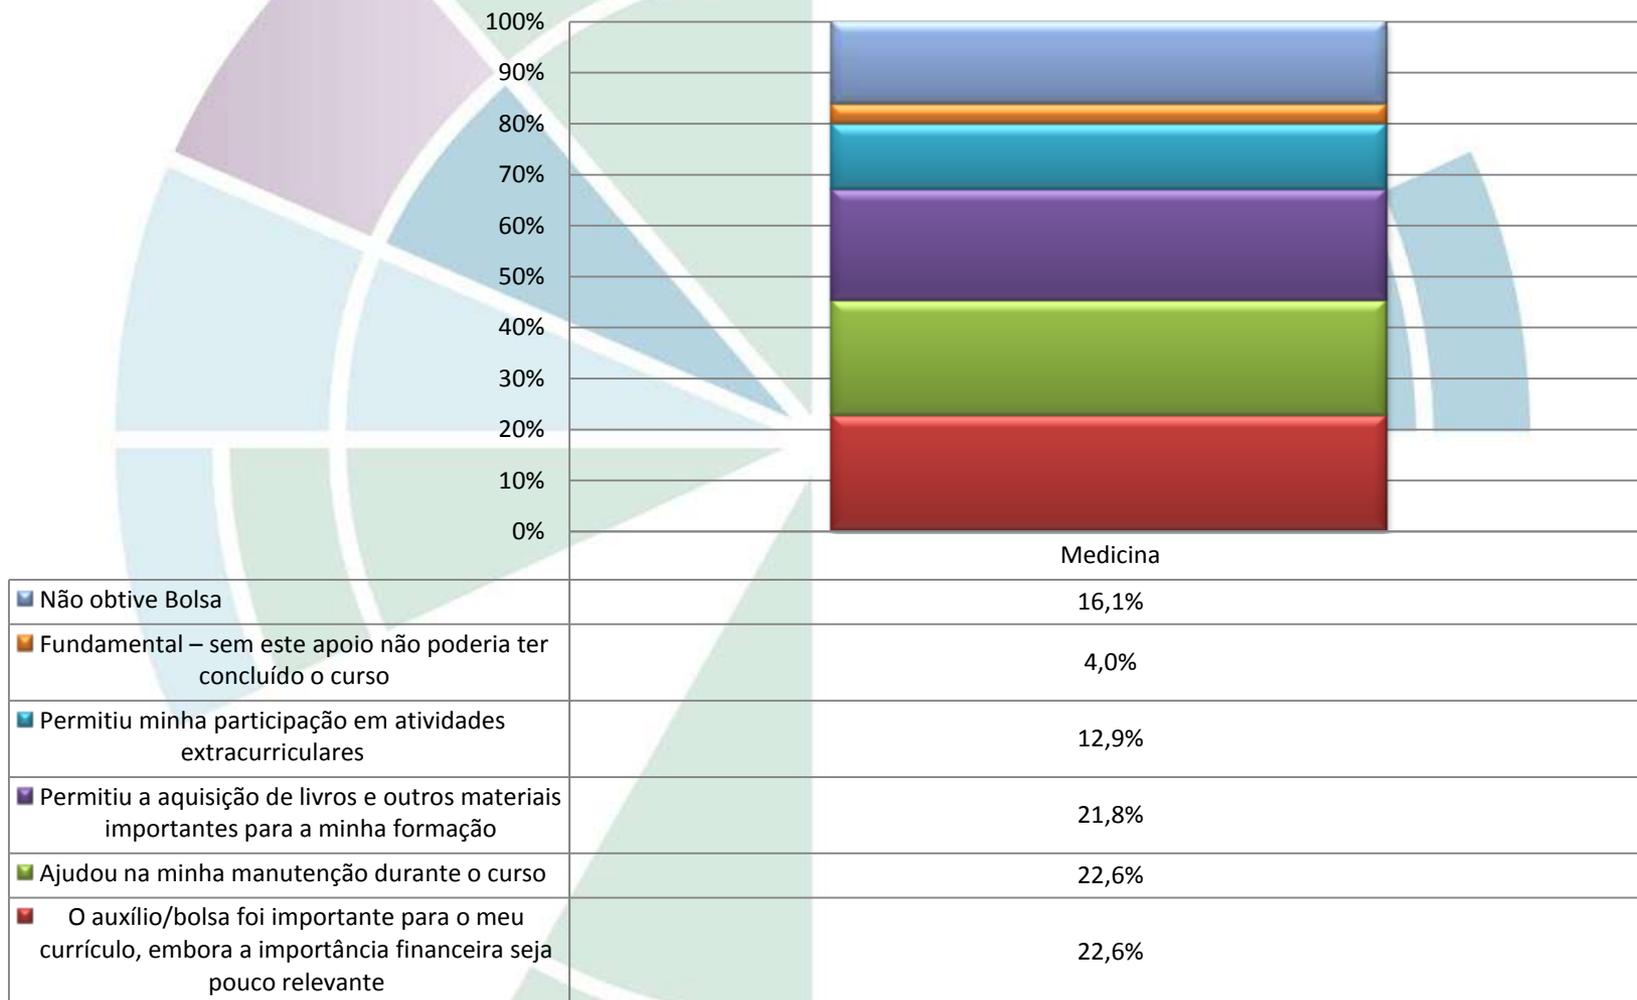

## Recebeu algum tipo de apoio estudantil durante a graduação na UNIFESP? Qual?

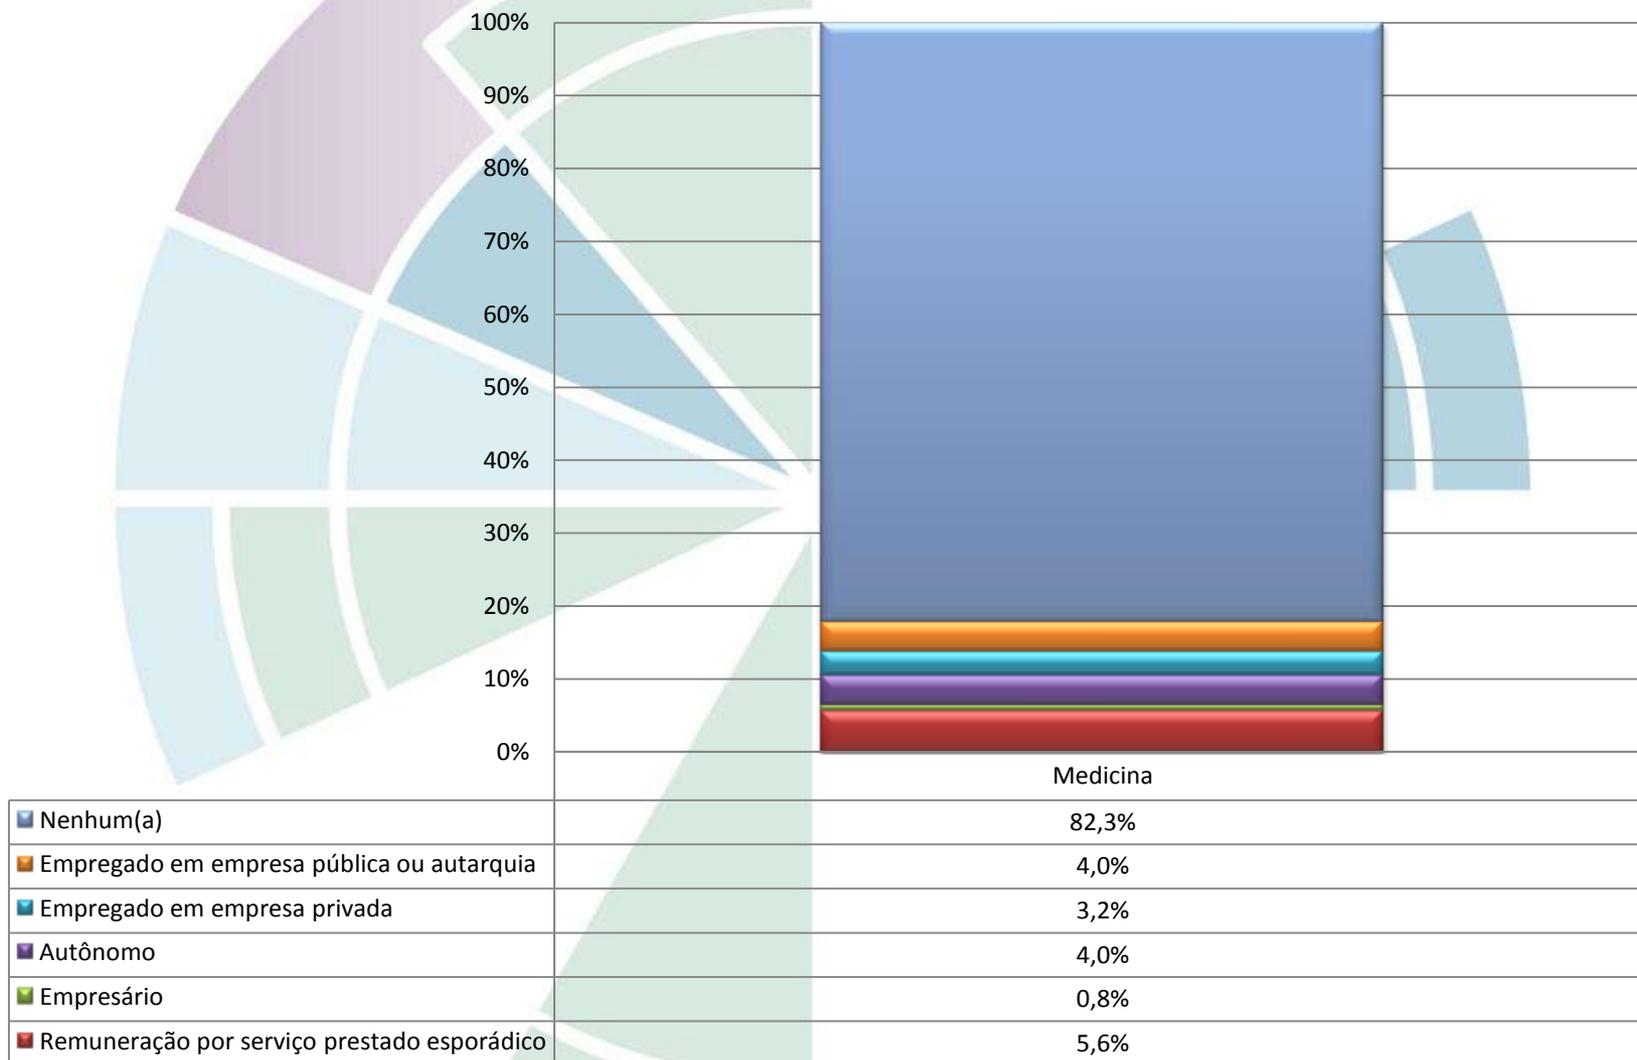

## Recebeu algum tipo de bolsa ou auxílio acadêmico durante a graduação na UNIFESP? Qual?

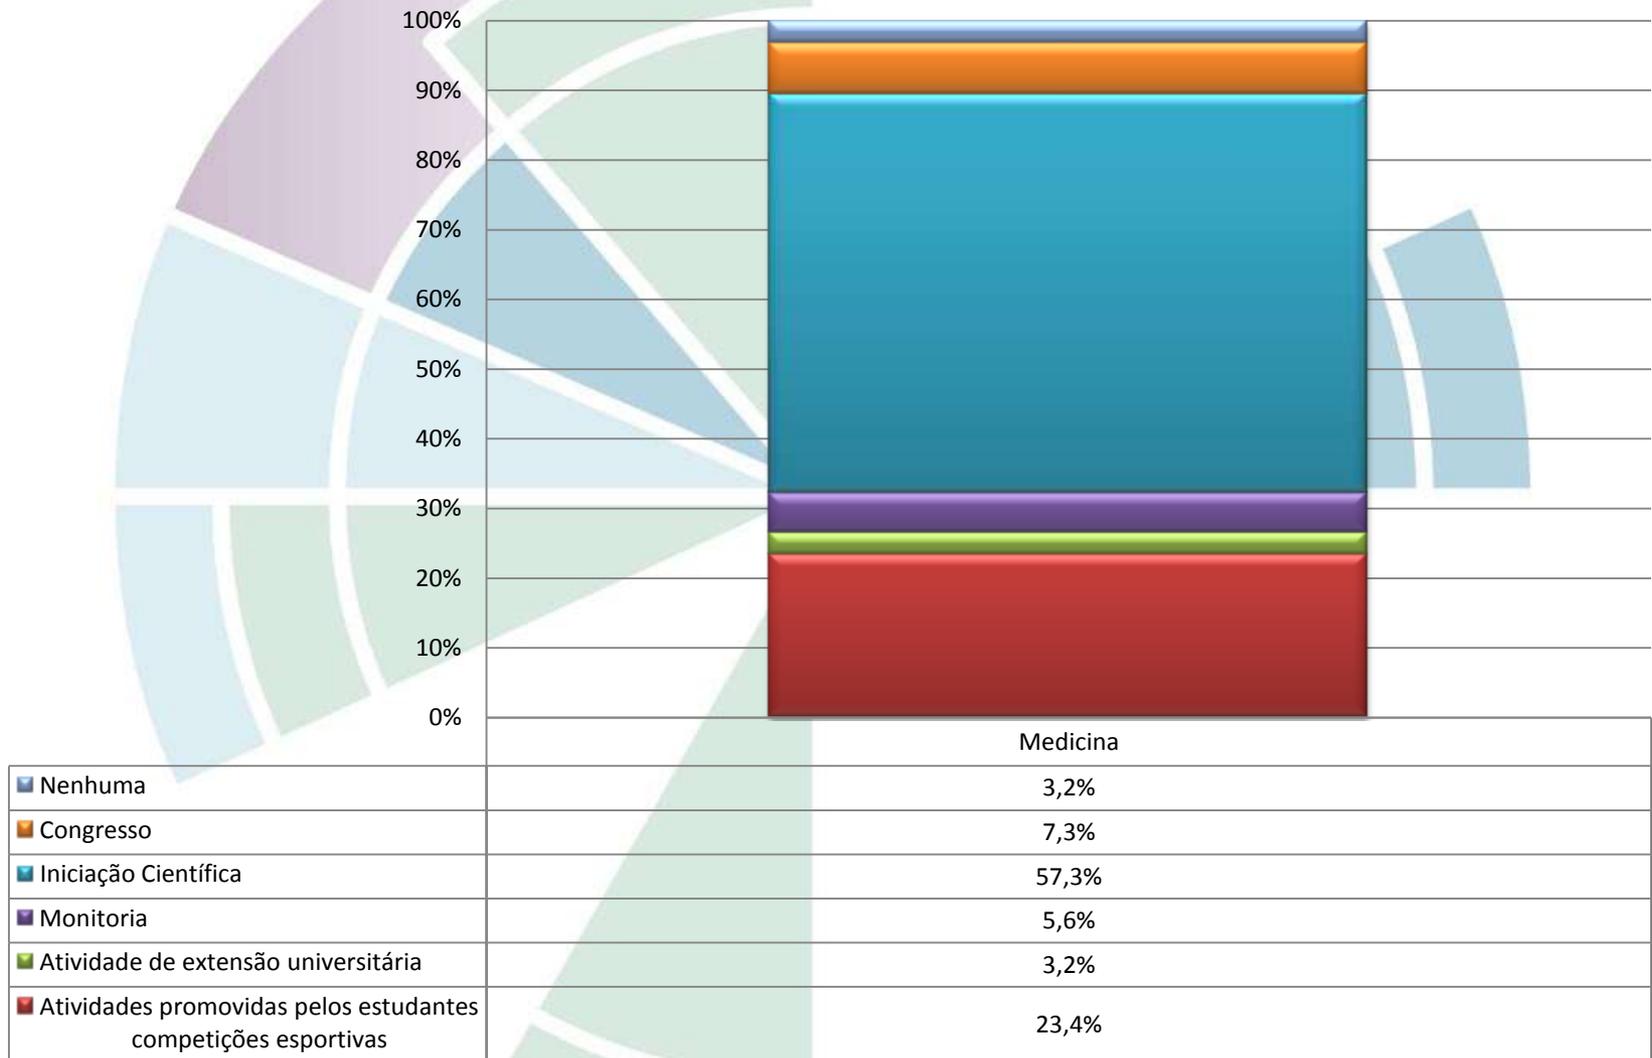

## Que importância este apoio teve para sua permanência no curso de graduação?

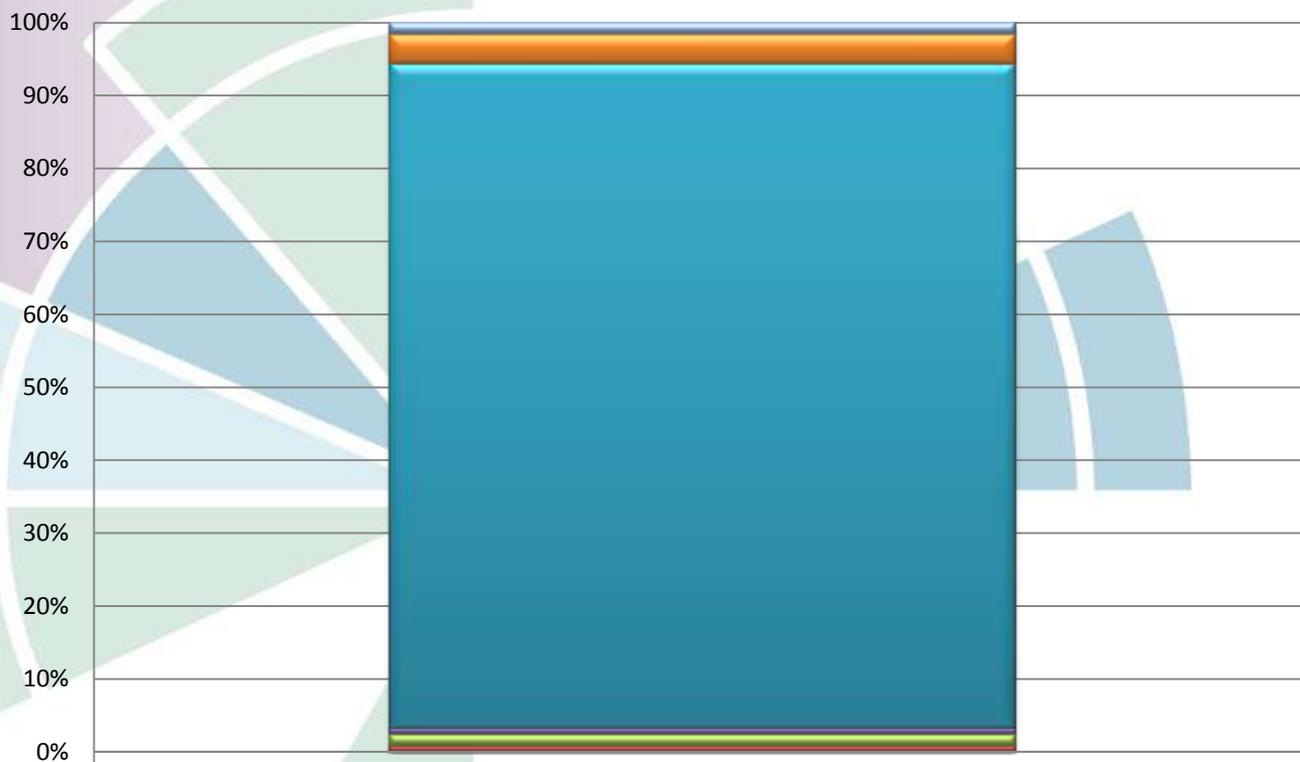

## Exerceu atividade remunerada durante o curso?

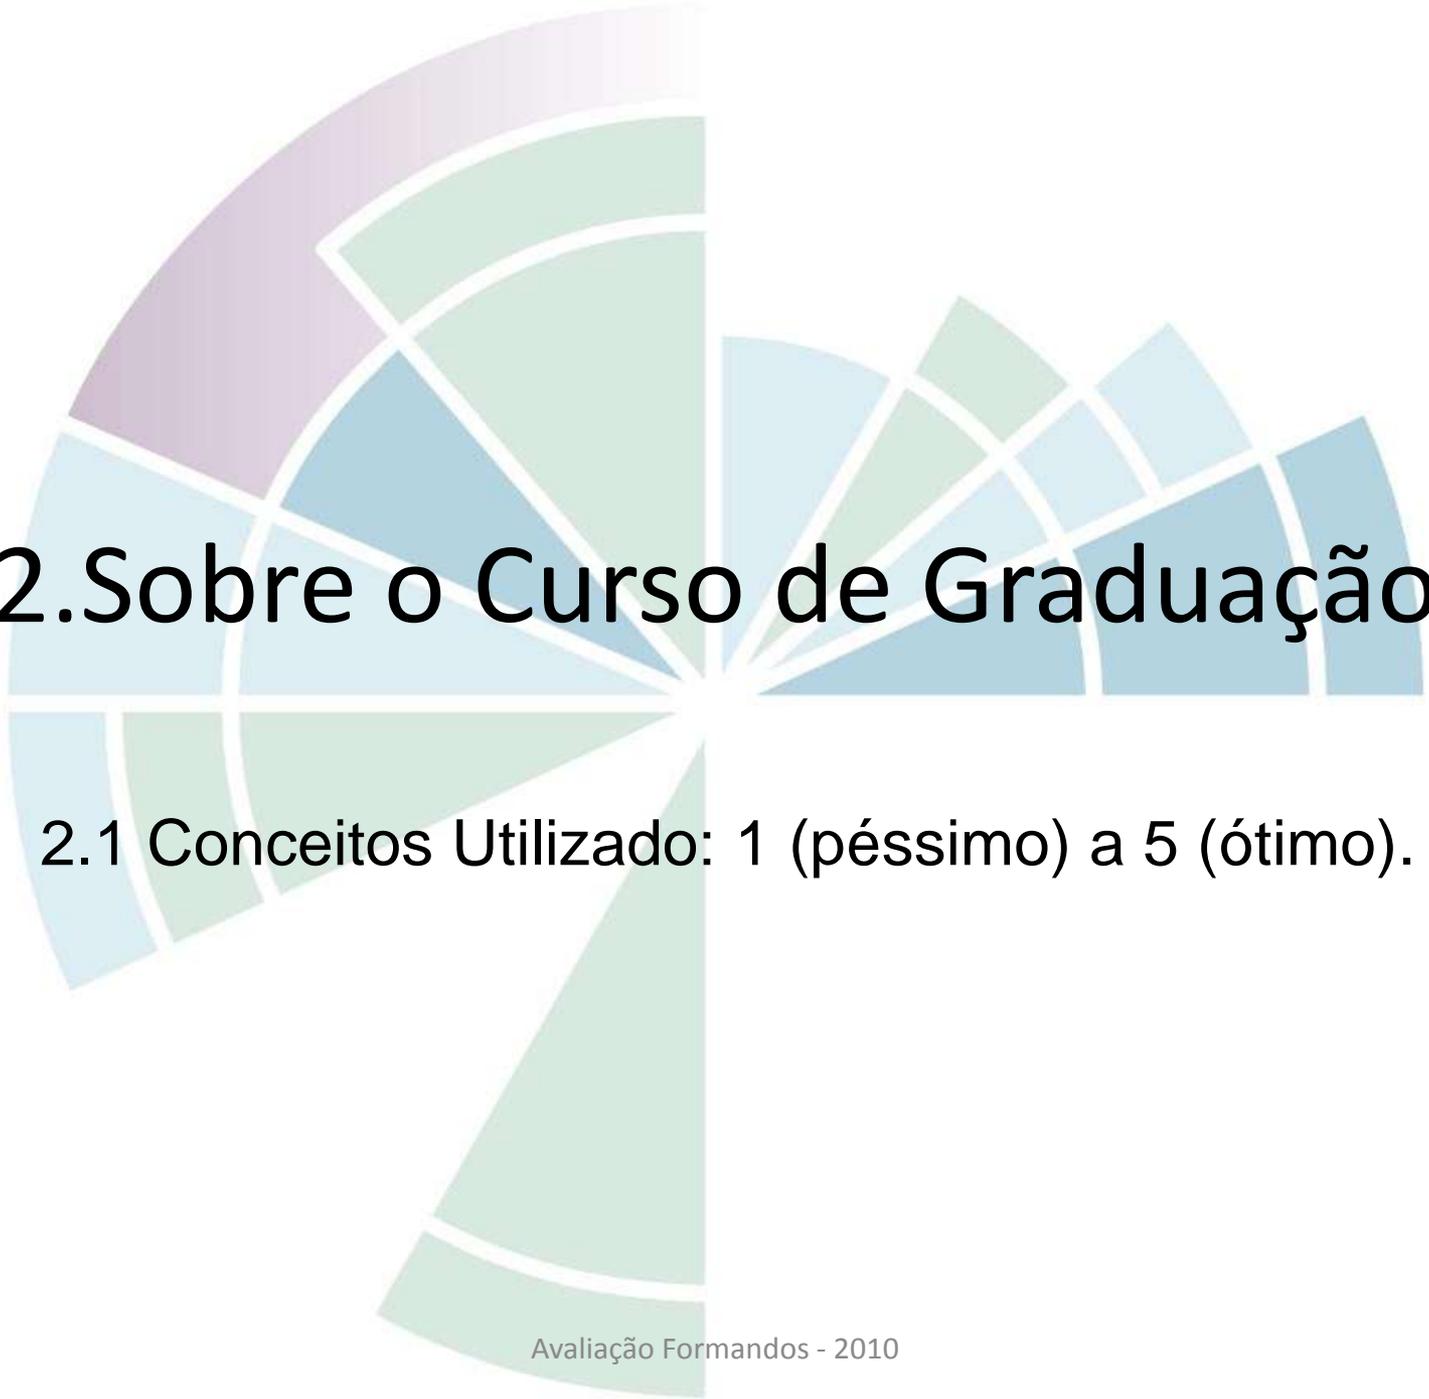

## Participou de atividades acadêmicas durante o curso?

## Pretende ingressar no curso de pós-graduação? Como?

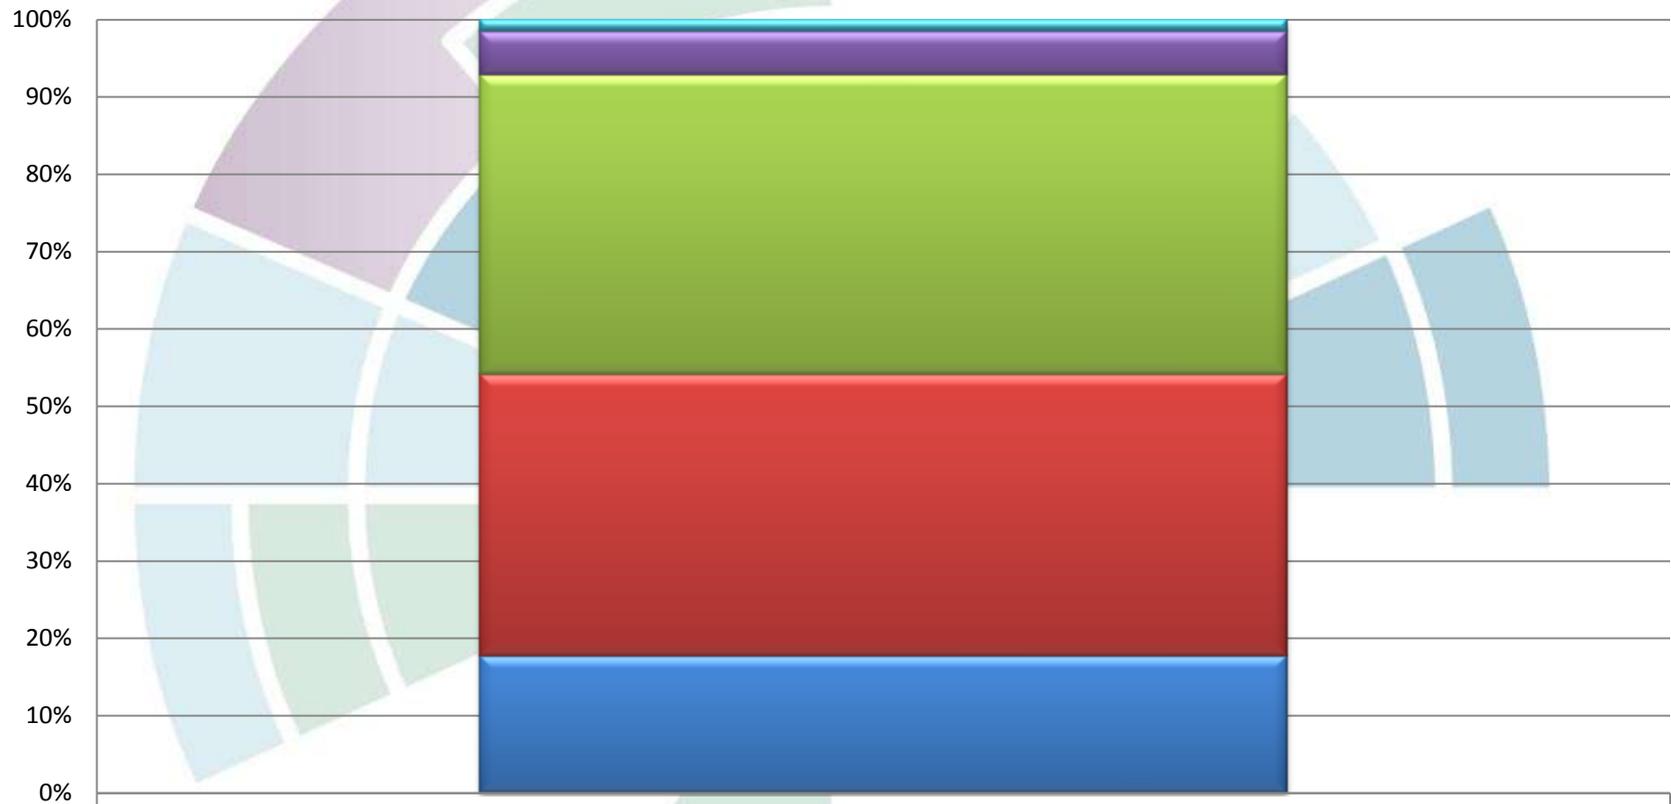

■ Nenhum(a)	1,6%
■ Aperfeiçoamento ou Especialização	4,0%
■ Residência médica ou enfermagem	91,1%
■ Mestrado Profissionalizante	0,8%
■ Mestrado Acadêmico	1,6%
■ Doutorado Direto	0,8%

## 2.Sobre o Curso de Graduação

2.1 Conceitos Utilizado: 1 (péssimo) a 5 (ótimo).

## Conteúdo interdisciplinar

1

2

3

4

5

Medicina

1,6%

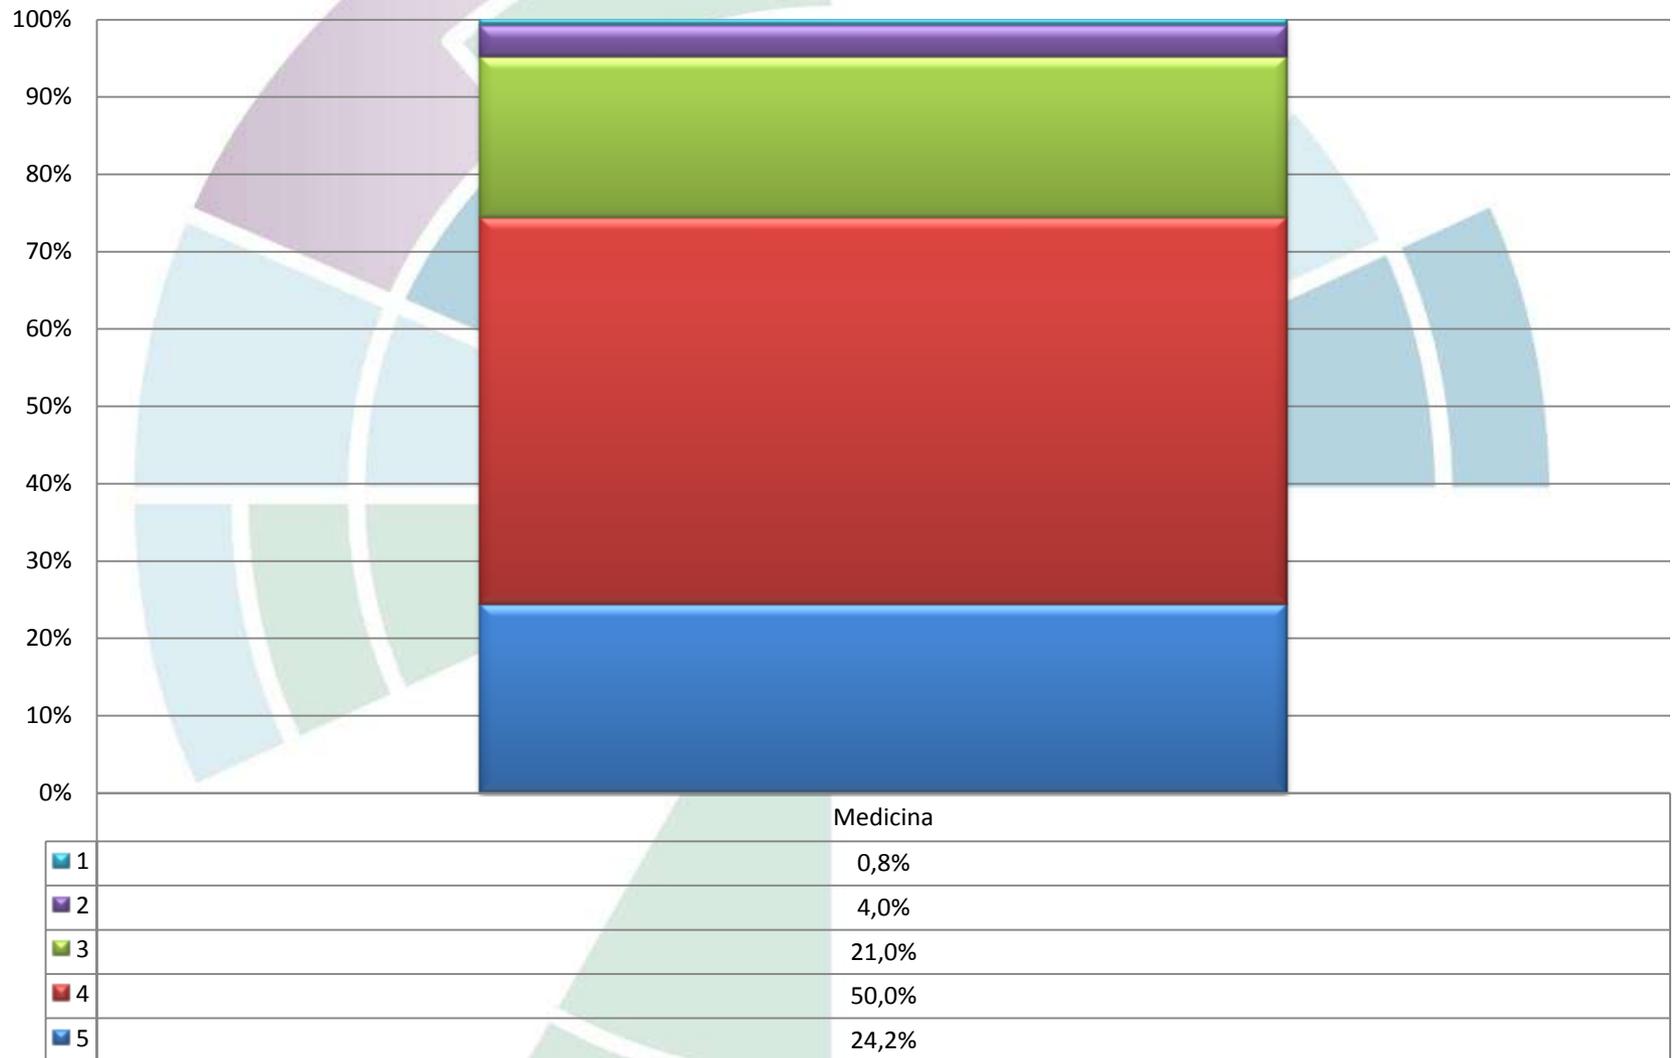

5,6%

38,7%

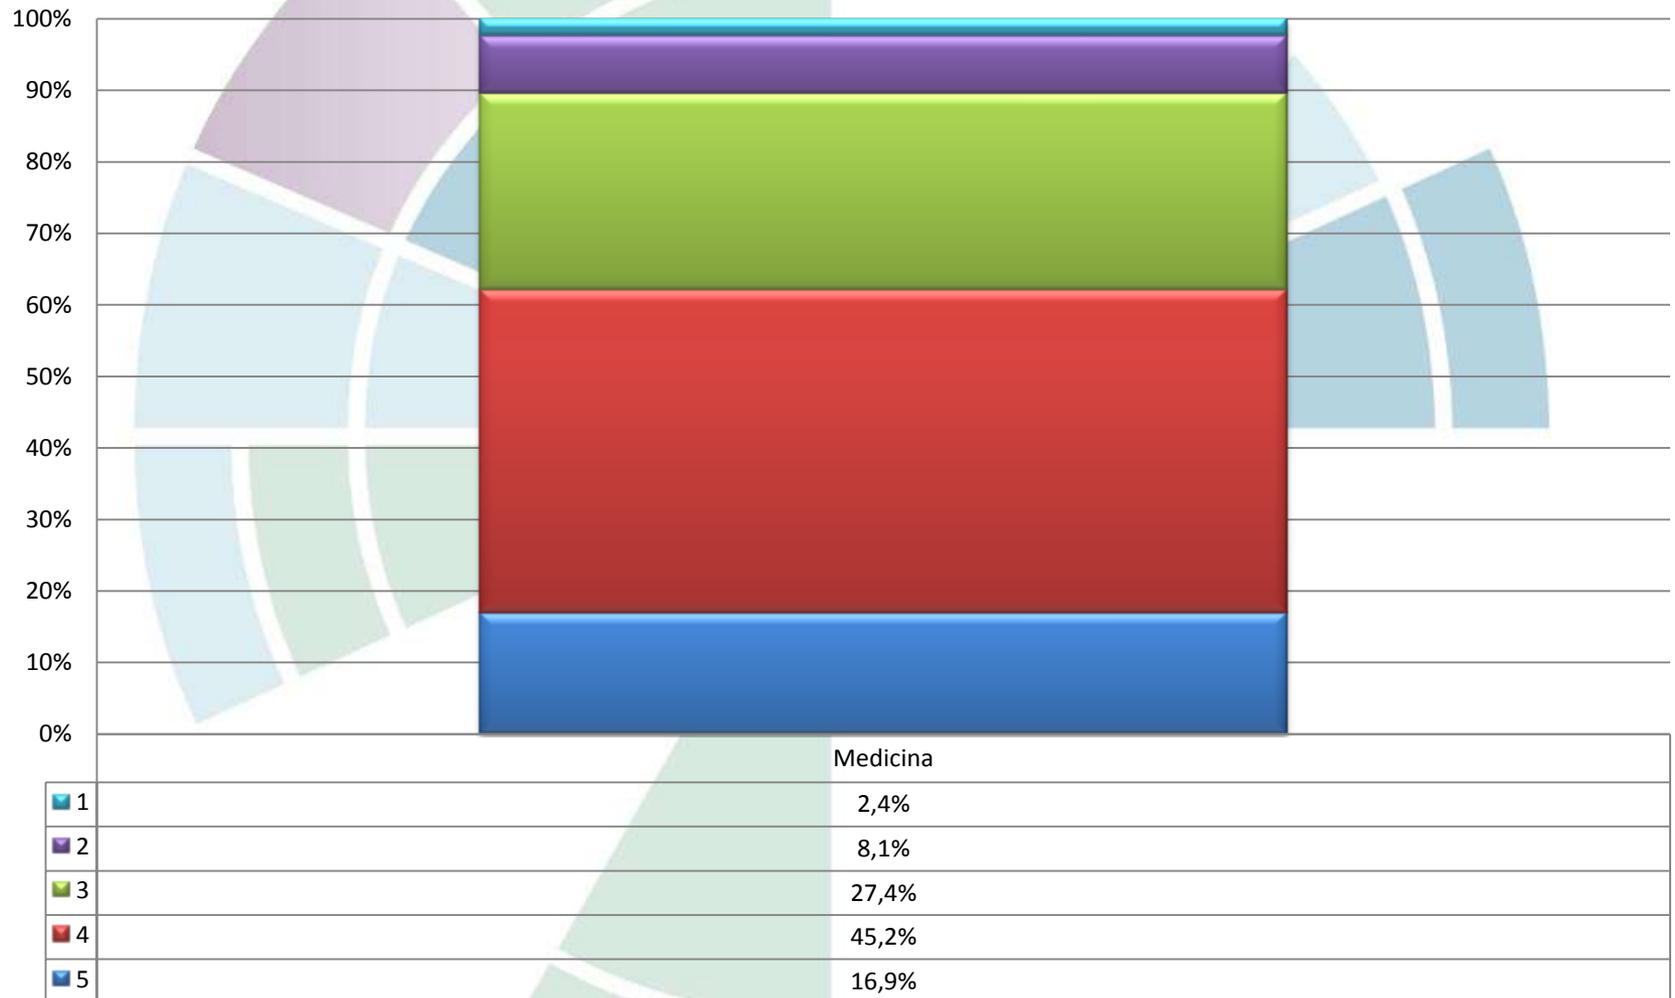

36,3%

17,7%

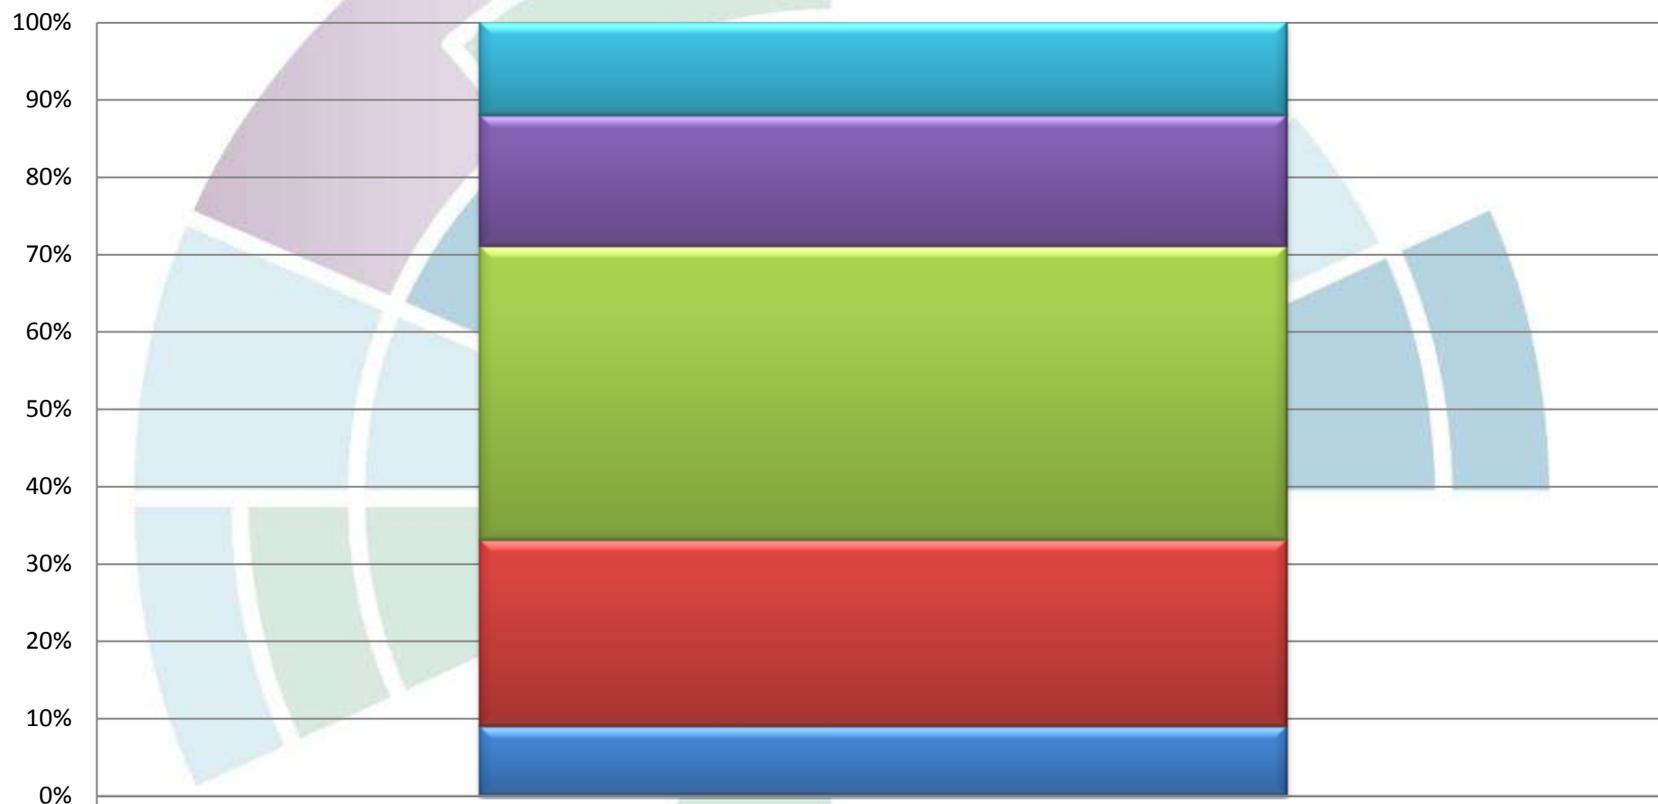

## Conteúdo amplo e profundo que adquiriu durante o curso

## A interdisciplinaridade, que faz com que o profissional seja preparado de modo mais abrangente

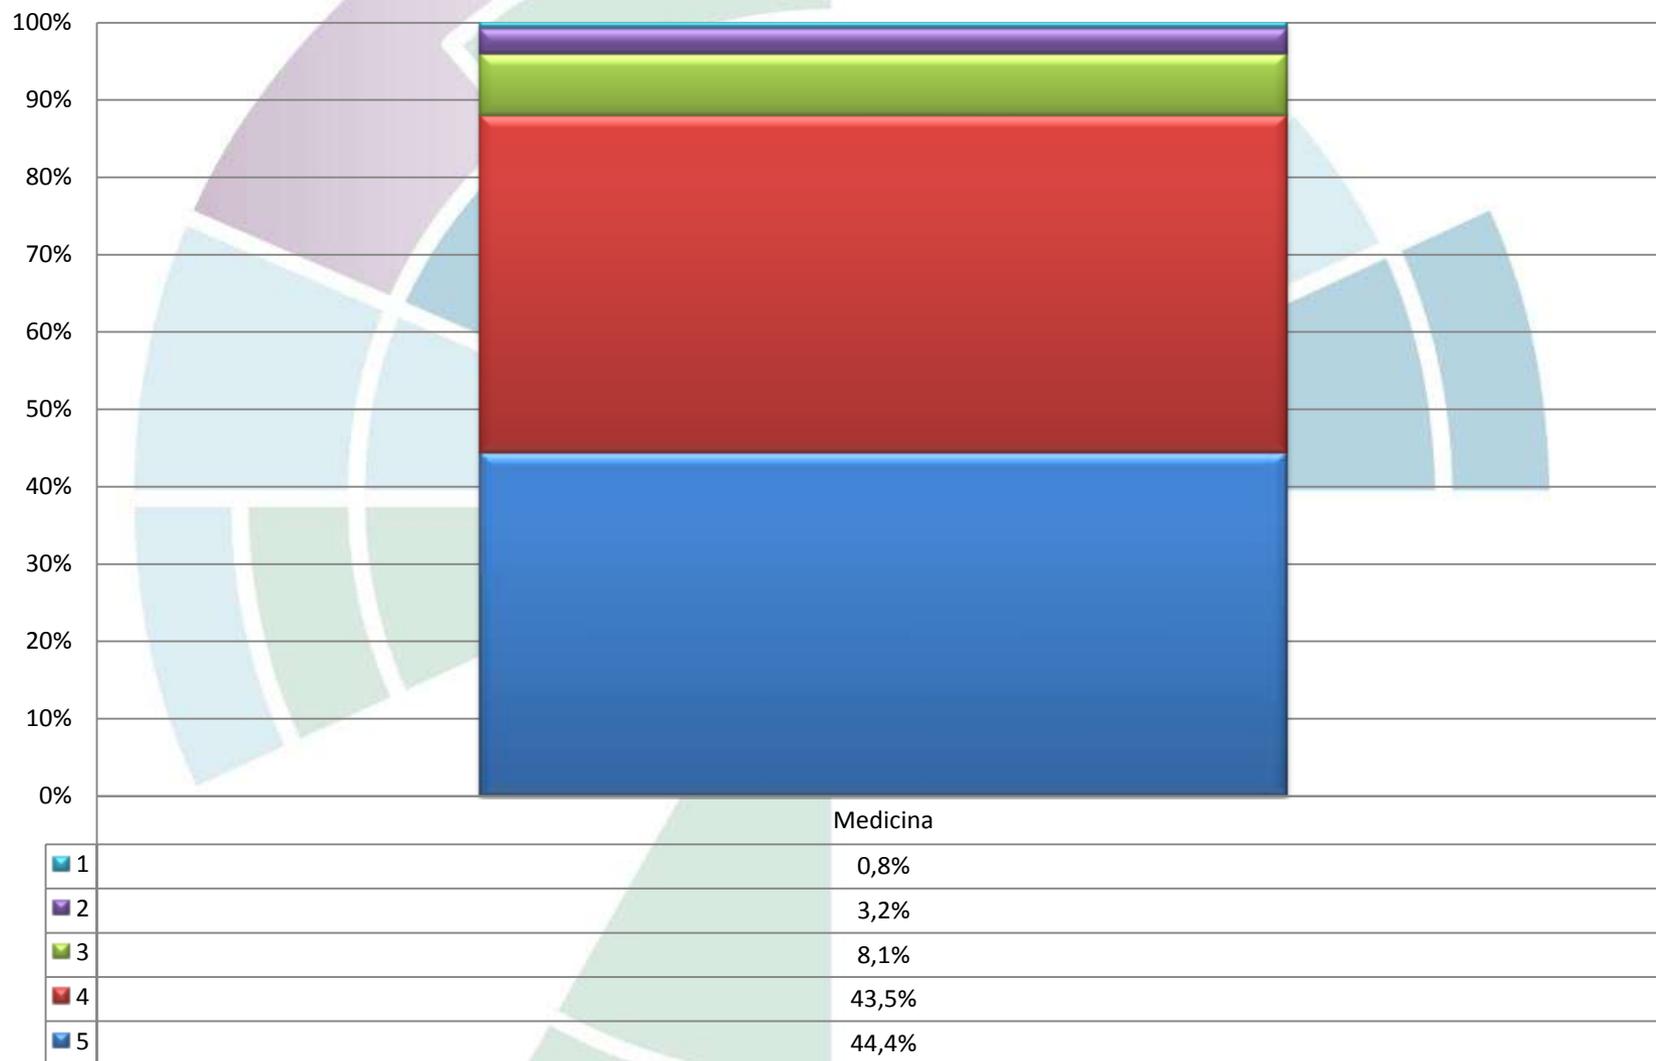

## Métodos de avaliação adequados ao curso

	Medicina
1	12,1%
2	16,9%
3	37,9%
4	24,2%
5	8,9%

## Padrão de qualidade do curso, em comparação com outros da área

## Adequação das aulas práticas e estágios para preparar o estudante para seu exercício profissional

## A estrutura física da Universidade
